Together We Can Oakdale Elementary

A Note from the Principal

It is hard to believe that we are already in our final quarter of learning together for the 2022-2023 school year. These last few weeks together will be busy ones filled with continued opportunities to expand student's knowledge. Please be on the lookout from your child's teacher for notes about potential upcoming events, special testing days, and other important pieces of news from their classrooms. There are many great things still to come this school year. Thank you to our parents and families for your continued help from home! We appreciate you!

- Angela Dorzweiler, Principal

MATCH MADNESS

Our 5th graders attended Match Madness on March 23rd! This was a local day of giving hosted by the Greater Salina Community Foundation. Our students learned about the different non-profit organizations in Salina, and thanks to a generous grant, were each able to make a \$10 gift to the organization of their choice. Looks like they had a great time!
