Together We Can Oakdale Elementary

A Note from the Principal

February might be shorter than other months, but there is quite a bit to keep us extremely busy here at Oakdale. Our third through fifth graders will begin preparing for and taking a variety of State assessments. Valentine's Day celebrations are just around the corner, and we will have our final Parent-Teacher Conferences for the year. As there will be many special events taking place, please be sure to check your child's bookbag for communications, as well as be on the look out for updates via email and text messages.

- Angela Dorzweiler, Principal

NITRO BOWLING IN PE

Over the previous two weeks in PE, Oakdale students participated in their bowling unit. During that time, students worked on their set up, release points, speed, and accuracy. Students practiced with a regular set up, obstacle, and speed activities to practice the varieties of bowling. To wrap up the unit, students were provided with glow stick wrist band and celebrated with Cosmic Bowling, simulating a bowling alley experience!
